President's Message

Happy New Year! May Ahura Mazda bestow upon us all a joyous year ahead with good health and happiness.

At the outset, I wish to thank my Board of Directors and all of our committees for their hard work throughout the year. Your dedication has immensely helped in keeping all the important events rolling, managing Muktads, Gahambars and Jashans, maintaining the premises in proper shape, and the community well informed and entertained. Thanks also go out to several donors, sponsors and to members for volunteering their valuable time.

OZCF hosted one of the best parties for New Year's eve. Our dynamic entertainment committee worked round-the-clock to bring in 2014 in the most memorable way. Elsewhere in this newsletter you will find full details. I want to express my gratitude to Mahveer Javat and his dynamic team of Arnavaz Dhabar, Hormusd Engineer, Jeroo Madan and Perveen Katila for their flawless efforts. Likewise the assistance extended to them by their spouses as well as some of our members is also greatly appreciated. I also wish to thank ZSO for their support in having ZSO members participate in the event. A big Thank You to all!

The OZCF received donations amounting to \$3,301 from various members specifically for helping victims of Typhoon Haiyan in the Philippines. The money was sent to the Canadian Red Cross on Dec 21, 2013 so that we could get a matching contribution from the Federal government in Ottawa

There have been several house-keeping items that we have taken care of in the past two months. The House and the Dadgah Room on the property are now accessible and we have refinished the flooring in the small hall, refinished the entrance passage-way to the small hall, repainted the public areas and installed a drywall in the back area adjoining to the sun-room. A new toilet has been installed upstairs and a thorough cleaning of the toilet and washroom facility on the ground floor has been done. We have also had a thorough cleaning done in the house, including the kitchen area. Please note that it is of paramount importance that we do not exceed 5 – 6 persons present in the house at a time or assembling in the Dadgah room. Please treat this as a highly critical issue and adhere accordingly.

Our goal to provide potable water in the OZCF Hall is in close sight. On January 9, we will be updating the UV system to a commercial unit as required by the Halton Region, after which water samples will be provided to their approved laboratories for clearance. Very shortly now, you will be seeing signs of "drinkable water" as opposed to what we have now.

President's Message—continued from Page 1

We have two wells on the property, one in the field that supplies water to the Hall and the other near the ravine area in front of the house that supplies water to the house. We are in talks with the Halton Region to improve the quality of water going into the house and will be moving our current UV light and filter system from the Hall into the house.

We have noticed a substantial increase in the Hall usage and as such we find that the premises are now in need of a proper facelift. Your Board has approved renovations that include refinishing damaged surfaces, new paint, and enhancements to cabinets, storage areas, sound-system and lighting. Work on this will be completed in the spring. We are confident that with the enhancements, there will be increased revenue from rentals.

We are diligently researching for an appropriate kitchen facility that we want attached to the OZCF Hall. Due to square footage restrictions, it will be a mobile facility on wheels. We are inspecting several options that have been sourced. At the appropriate time, we will ask the membership for their approval to purchase this facility.

A constant comment I get is the lack of cleanliness in the Hall. We have contracted professional service to ensure that the Hall and washroom areas are clean. Effective Jan 11, 2014, at a cost of \$150/ month the facility will be cleaned twice each month. However, there will also be additional cleaning costs after each rental which will cost us an additional \$75 - \$100 each time.

In order to meet our maintenance costs, it is the Board's decision to charge hall-rental for personal use by members and non-members when they use OZCF premises for the four-day ceremonies for the departed souls namely Sarosh and Uthamna ceremonies. The charges also apply for use of the hall during any other ceremony (Dasma, Masiso, Chamsi and Varsi prayers). Effective February 01, 2014, member charges are \$100 per each day of use of the hall and for non-members \$150 per each day of use. We will post this information on our website and also in newsletters regularly. Please note that this nominal charge (to enable maintain clean premises) is only for the ceremonies for the deceased. Regular rental charges apply for personal Jashans, celebrations, and other activities.

New membership fees (passed at the AGM in July 2013) came into effect on January 1, 2014. While most members have already renewed, I urge others to renew your memberships at the earliest. Your membership is very valuable to OZCF as we continue to provide services.

And finally, a personal thank you from me to all of you who have been so kind to inquire about my eyesight and the little adventure I had whilst travelling in Turkey. By the grace of Ahura Mazda, the sight is on the mend and I am hopeful of full recovery in the next two months. Once again, wishing you all a wonderful and joyous 2014.

Until next time,
Firdosh Bulsara, President

New Year's Eve 2013-2014

Months of relentless work by the OZCF Entertainment Committee (EC) reached a pinnacle when the OZCF New Year's Eve 2014 bash was declared, by all accounts, a huge success.

Attention to detail, and the ability to please almost everyone in the audience, meant it was no easy job. A terrific effort on the part of the organizers translated into a fun time for the approximately 280 people gathered at Apollo Banquet Hall and Convention Center in Mississauga, Ontario to bring in 2014.

The live band, DJ and the Parsi-style dinner complete with gajjaar-meva noo achaar and sali-murghi was lip-smacking. The photo booth in the lobby, thanks to our in-house photographer Nari Mavalvala, was much sought out by all our guest. There were prizes- both raffle and door- handed out including a ticket for 2 to Las Vegas won by Mahiyar and Rashne Panthaki of Mississauga.

Our chief guests, who were the Consul general of India and his wife were delighted to meet the Parsi diaspora in the Toronto area. He encouraged an open line of communication with the sometimes-not-so-engaging audience in taking this relationship a bit further.

Although praise for the event has been widespread on social media, the board would like to thank the EC for its hard work in making this function a huge success on 3 main platforms attendance, music and food, complete with a midnight desert buffet.

A big shout out to Mark and his angels -Perveen Katila, Arnavaz Dhabar , Jeroo Madan & Hormuzd Engineer who made this a night to remember.

3rd Annual Jamva Chaloji Food Fair

Jamva Chaloji 3, held on November 10, 2013, was a huge success once again. With everyone's support and involvement, it was a fun day! Even with a moderate turn-out, most vendors were happy, as there was just enough food and everyone went home with something to share!

On behalf of the Entertainment Committee, we would like to extend sincere thanks to Parveen Katila, Jeroo Madan, Arnawaz Dhabhar & Hormuzd Engineer, for their lead in this event and for endless hours spent organizing.

A shout-out to board members Russi Unvala and Neville Patrawalla for always stepping up and helping out with the cash/coupons. As well, the OZCF Scout group arranged to prepare and sell Bhelpuri and chai on behalf of the OZCF.

As always Khurshid Engineer and Kermin Byramji came forward and stayed through the event helping out with baking, selling and contributing home made delights to benefit the cause. Dolly Patel donated Mava na Paan, Khurshid Engineer donated Falooda, Kermin Byramji provided Nan khatai, cheese biscuits and prepared the gift baskets which were given out as raffle prizes.

A shout-out to none other than Zarin Irani who donated all the proceeds from the sale of chicken Dhan Sak to the OZCF. She always steps up to the plate and never passes on an opportunity to help the OZCF!

Thanks everyone—we can't wait till next time!
